There are 75 different borrowers of the library registered, and of these 25 are children. Number of books lent during the year, 3,799, and of these 251 were classed as non fiction; 484 juvenile and 3,064 fiction. Books have been

given the library by Miss Helen Palmer of Haverhill, Mass., Mrs. Edwin Spinney, Geo. Williams and Geo. Tufts of this town. The books in our library should be classified and we are sadly in need of a card catalog.

The Junior Circle of the Congregational Church have given the Smyth Public Library, Winston's Cumulative Loose-leaf Encyclopedia in ten volumes, up-to-date of latest authority, and will be for years to come—so of special value for reference to the schools and to every one. We gratefully acknowledge this generous gift.
