

How to make a Home Fire Escape Plan

FIRE PREVENTION WEEK™

Visit Sparky.org for more activities!

- Draw a map of your home. Show all doors and windows.
- Visit each room. Find two ways out.
- All windows and doors open easily. You should be able to use them to get outside.
- Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- Pick an outside meeting place a safe distance from your home where everyone should meet.
- The house or building number can be seen from the street.
- Make sure your plan meets the needs of all your family members, including those with sensory or physical disabilities.
- Everyone in the home should know the fire department's emergency number and how to call once they are safely outside.
- Practice your home fire drill at least twice a year with everyone in the household, including guests. Practice at least once during the day and at night.
