**TELEPHONE COMPANY**

**POLE LICENSE**

Upon the foregoing petition and it appearing that the public good so requires, it is hereby

**ORDERED**

\_\_\_\_\_ 20 \_\_\_\_\_

That the N.H. ELECTRIC COOPERATIVE, INC. and **Consolidated Communications of Northern New England Company, LLC.**

be and hereby are/is granted a license to erect and maintain poles and structures, with wires, cables, conduits and devices thereon, together with sustaining, strengthening and protecting fixtures in the public ways or ways covered by said petition. All of said wires except such as are vertically attached to poles and structures shall be placed in accordance with the National Safety Code in effect at the time of petition and/or license is granted.

In accordance with the requirement of RSA 72:23, I(b), this license is granted to the licensee(s) subject to the conditions that the licensee(s) and any other entity using or occupying property of the municipality pursuant to this license shall be responsible for the payment of, and shall pay all properly assessed real and personal property taxes no later than the due date. Failure of the owner/operator to pay its duly assessed personal and real taxes when due shall be cause to terminate this license.

In accordance with the requirements of RSA 72:23, I(b), the licensee (s) hereunder and any other entity using or occupying the property of the municipality pursuant to this license shall be responsible for the payment of, and shall pay, both current and potential real and personal property taxes when due. Furthermore, in accordance with the requirements of RSA 72:23, I(b),the licensee(s) and any other entity using and/or occupying property of the municipality pursuant to this license shall be obligated to pay real and personal property taxes on structures or improvements added by the licensee(s) or any other entity using or occupying the property of the licensor pursuant to this license.

Where applicable, this License is granted to the licensee(s) subject to the condition that the licensee(s) and any other entity now or hereafter using or occupying municipal property pursuant to this License shall be responsible for such notice and reporting requirements as have been duly and lawfully adopted by the Town as conditions to its pole licenses. The approximate location of the poles or structures and designated or defined as shown upon pole location
