

What We Do

The Candia Garden Club, founded in May of 2005, manages several town gardens, including the Town Offices, the Moore School Butterfly Garden, and the antique horse troughs located on Main Street, Old Deerfield Road and Langford Road. In celebration of Candia's 250th anniversary in 2013, the club undertook a 5 year project planting over 6000 daffodils around town. Through the University of New Hampshire Extension Master Gardener Program, the club has received drought tolerant plants, and even installed a watering system.

An annual plant sale is held in May and festive holiday wreaths are sold after Thanksgiving. All proceeds are donated to local causes such as Giving Tree, Eagle Scouts and Candia Dollars for Scholars.

Contact Us

If you would like more information about our club, please email us at candiagardenclub@gmail.com or contact Donna at 603-370-2977.

Meetings

Candia Garden Club meetings are held the fourth Wednesday of each month at 6:30 PM in the meeting room of the Smyth Public Library.

All are welcome, interested gardeners and fellow gardeners!

Memberships are renewed in May with a huge member plant swap and anniversary cake.

**Candia, New Hampshire
Organized in 2005**

Mission Statement

The Candia Garden Club wishes to create and promote interest in all phases of gardening, horticulture and beautification of town gardens. We strive to protect and conserve natural resources for the Candia community.

OUR SCHOLARSHIP PROGRAM

To protect our environment and create more interest in agriculture, horticulture, and plant & animal sciences, the Candia Garden Club began a scholarship award program to aid Candia college students. The scholarship, managed by the Candia Dollar for Scholars, is awarded to a student who satisfies the criteria listed by the committee.

SPEAKERS & WORKSHOPS

The club hosts various speakers and workshops throughout the year. Events are free, unless otherwise noted, and open to the public.

Native Bees Workshop

Pruning Winter Trees

Making Birch Vases

Flower Arranging

ONGOING PROJECTS

Butterfly Garden

Garden club members keep the Henry W. Moore School butterfly garden, created in 2001, looking beautiful.

Town Hall

Members of the club take pride in the cleaning and upkeep of our own Town Hall gardens to ensure residents enjoy the view.

High Street Monument

Garden club members maintain the Soldier's Monument, as well as the antique horse troughs on Main Street, Old Deerfield Road and Langford Road.

FIELD TRIPS

The Candia Garden Club often visits gardens, nurseries and other garden related places.

Petals in the Pines

Tarbin Gardens

New Hampshire Hostas

Tiffany Gardens

FUN TIMES - Members gather to make harvest wreaths, nesting balls and Easter centerpieces.
