Hi Bill -

I haven't heard back from you regarding your interest in renewing your status with the Conservation Commission. We will discuss this issue at the meeting tomorrow night and I may be writing a "group" letter to the BOS recommending renewing memberships. Please let me know, by tomorrow if possible, whether we should include you.

I might add that even though your attendance may need to be limited, your input is/has been very helpful.

Thanks.

BK

Hi Elizabeth,

Sorry for the tardy response (have not checked emails since the weekend). Yes, happy to re-up if my occasional remote participation remains helpful.

Best,

Bill
