SMYTH MEMORIAL BUILDING

Present:

The meeting opened with the Pledge of Allegiance.

Minutes approved

Minutes from the commission's January meeting were approved after minor amendments.

Village Tour

Carmelle created a draft document with preliminary layout of the copy as provided by Lorraine. It was agreed to include the 1893 tax map as an inserted centerfold (removable).

A similar map may be available for the East Candia walking tour brochure and possibly for the planned Depot walking tour guide as well.

In a related matter, the group reported no recent contact from sign-maker Frank Sarra about the Candia Village sign.

Roadside Clean-up

There was brief discussion on how to kick start the annual roadside clean-up initiative, to attract more participation from more residents. A partnership with a local youth group or contacting the Adopt-A-Road organization were mentioned.

Preserving Old Photos

Carmelle will report back on some research re: who we can engage to do a local presentation on how residents can restore or preserve old family photos and documents.

In other business:

There is only one mill book remaining. The group agreed to keep the one for our records and take orders in anticipation of a future reprinting.

The next meeting of the Candia Heritage Commission is set for Tuesday, March 8 at 7 p.m.

Respectfully submitted by Carmelle Druchniak
