PUBLIC HEARING NOTICE
February 21, 2012
7:00 pm Town Office Meeting Room

Notice is hereby given that the Candia Conservation Commission, in accordance with RSA 36-A:5, II, will be holding a Public Hearing on February 21, 2012, at 7:00 pm in the Candia Town Office Meeting Room, 74 High Street, Candia, NH. The purpose of the hearing is to present information about and accept public comment on a warrant article authorizing the Candia Conservation Commission to apply for, accept and administer a Water Supply Protection Grant from the New Hampshire Department of Environmental Services. This grant will allow for the purchase and permanent protection, thru a conservation easement, of two abutting parcels of undeveloped land (Map 410 Lots 100 & 101) in the Massabesic Watershed. It will also authorize the permanent protection, thru a conservation easement, of the Hemlock Drive Town Forest property (Map 412 Lots 3 & 4) in the Massabesic Watershed, using the value of the development rights of the Hemlock Drive Town Forest property as the necessary monetary match for the Water Supply Protection grant. The project will result in the permanent protection of approximately 80 acres of open space land in the Massabesic Watershed at no additional cost to the taxpayers.

For additional information about this hearing, please call the Town Office at 483-8101.

For the Conservation Commission,
