## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The fire season of 1970 was not a quiet one in this area, on the contrary, it was a very busy time with some towns reporting a greater number of fires than in past years. This record is not good.

Both state and towns are striving to meet this challenge. Results show that we are not doing enough, we must do more in the matter of fire prevention education, a more active inspection program and a more prompt, complete investigation of fires where definite cause is not known with court action where the need is indicated.

We must insist that minor children are given needed supervision, this is a parent's responsibility

Your Warden and District Chief stand ready to help in this work.

Our gratitude to all who have helped in forest fire prevention and suppression this past year and we look forward to this continued help in our effort to improve our good prompt detection system and fast suppression action. This, coupled with a good prevention program, will improve our fire record.

Follow these simple suggestions to help:

Set a good example for others by observing fire permit laws and regulations; take your debris and waste to the town dump; keep matches away from children and be sure your smoking material is dead out when discarded.

Number of fires reported and acres burned 1970 season:

STATE	484 fires	244 acres
DISTRICT	189	170
TOWN	6	3

Ralph Stevens  
DISTRICT FIRE CHIEF

George Beane  
FOREST FIRE WARDEN

### *Penalties*

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means willfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit.  
Keep our town free from smokes in 1971

## Report of the Police Department

Mankind is on the threshold of a golden era. Astronauts walk on the moon and scientists are finding cures for crippling diseases.

Amid all this, crime runs rampant, costing the people of the U. S. billions of dollars each year. Teenagers embark on criminal careers, bolstered by alcohol and dangerous drugs. The Supreme Court, in a series of monumental decisions, severely curtailed police authority to gather evidence and to question persons suspected of crimes.

All these events have made their impact felt locally. In 1970 this department responded to 637 calls consisting of misdemeanors to felonies, such as house-breaks, stolen vehicles, juvenile complaints, accident investigations etc. In addition to these calls we experienced a murder and a murder-suicide, which were the cause of our overdraft in the police budget for the sum of \$2,235.89 which was beyond our control.

This year we seek added funds for our Special police officers who are not compensated for the use of their vehicles while on police duty. We have three trained and dedicated Specials, and it is to the town's advantage to insure their availability in the years to come, when our growing community will find more and more need for their services.

We are fortunate to have five Civil Defense Auxiliary police officers who are also trained and dedicated and avail themselves to this department at no cost to the town.

**COMMUNICATIONS** In 1965 the town purchased one radio for the police department, since then our police officers have sold tickets, held suppers and dances in order to purchase three additional radios. Because of these four existing radios, we have qualified to receive at no cost to the town four brand new, four channel radios from the Federal Crime Commission worth approximately \$5,200.00. This is a new set-up for police communications, when it is completed state-wide this will enable us to be in direct communications with the Sheriff's Department in Exeter, N. H., the State Police in Concord, N. H., cruiser to cruiser locally, cruiser to cruiser state-wide, and with the Raymond Ambulance which has provided its services thirty-two times this past year. The four existing radios will be transferred to our Civil Defense Auxiliary police.

We feel that the problems of our modern day society require that all police personnel, at all levels of government, must receive proper training in order to properly serve the public. I would be remiss if I did not mention the many agencies at the federal and state level which assisted in making our training program such a success. I refer to agencies such as the state conservation training officer, National Auto Theft Bureau, N. H. State Police intelligence unit on Drug Abuse, the Alcohol, Tobacco, Firearms Division on the latest Gun Control Act. Our training program will continue both at the basic fundamental level and eventually into the field of advanced police training where all officers will be given the opportunity to be trained in the real meaning of Constitutional Law.

In the closing of this report I would like to thank the Board of Selectmen, my officers, and the citizens of Candia for their cooperation in making the job of this department an easier one.

Respectfully submitted,

The library is indeed fortunate in having such friends as the "Friends of the Library." They have this year provided funds for 50 chairs for use in the C. Fred Bangs Room, a movie projector and screen, and a much needed parking area.

The highway in front of the building has long been recognized as a danger zone for parking and it is hoped that patrons will use the area provided for their safety

"The Friends" are to be commended for their efforts and contributions

Edna A. Brown, Librarian

## Report of Civil Defense Unit

This past year your Civil Defense Unit has made steady progress thanks to its many supporters in the community. We have had many drills on a local basis and participated in two state-wide and nation-wide Checkerboard tests.

The program papers and progress reports for your local Civil Defense Unit have been submitted and approved by the Department of the Army, Office of Civil Defense. This enables us to use surplus property from Concord.

The Civil Defense Mobile Unit has been a very valuable asset to the Police Department and community as have the auxiliary police which consist of four men and one woman. These people have been schooled and trained in police work and how to handle natural and nuclear disasters.

At this time I would like to extend my sincere thanks to the Board of Selectmen for their assistance and also to the School Board for the use of class rooms. Our appreciation is also extended to the citizens of this community who have helped make possible the success of this unit and especially to the Civil Defense personnel who have volunteered their time and efforts for this worthy cause.

Respectfully submitted,  
Robert A. Baker, Sr.,  
Director

## Visiting Nurse Association

OF MANCHESTER  
622-3781

The services of the Visiting Nurse Association, a United Fund Agency are available for all of the residents of Candia regardless of race, creed, or ability to pay.

The Visiting Nurse provides bedside nursing care, treatment and instruction and the Registered Physical Therapist provides physical therapy; all services are carried out according to directions by the patient's physician on a part time basis. Home Health Aides are available on the same basis. The Association is a home health agency certified to care for Medicare patients.

Maternal and child health guidance and instruction is given before and after the arrival of new babies and classes for instruction of expectant parents are held three times yearly in Manchester.

Family health guidance is also given with special emphasis on prevention of disease and promotion of health

203 visits to Candia residents were made in 1970. Miss Judith Filleul, R.N., is the nurse in the area.

Seven clinics with Dr. Hermann Sander attending were held in Candia in 1970. Diphtheria, Tetanus, whooping cough, regular measles, german measles, polio, and smallpox vaccines were given.

The physician, patient, family or a friend may call the Visiting Nurse Association for service at 622-3781 Monday through Friday 7:30 a.m. - 4:00 p.m., 194 Concord Street, Manchester, New Hampshire

## \* REPORT OF THE SUPERINTENDENT OF SCHOOLS

Having been your Superintendent for a very short time I am unable to report on past accomplishments but will offer some observations on what appear to be most pressing problems and suggest some alternative solutions

Housing is the most urgent problem in most Districts We should closely examine new methods of construction, such as pre-fabricated and pre-engineered buildings, concrete slab buildings and portable classrooms and compare them with the more traditionally constructed schools.

Curriculum revision must be constant. Our schools must place more emphasis on those pupils who complete their formal education in the public schools. Study and evaluation can show which courses are relevant to the 1970's and which should be scrapped or changed

The structure of the school must be scrutinized as to its effectiveness in each area Campus type schools, open concept schools, team teaching, mini-courses of short duration, humanities approach and other innovations can bring education alive to the disinterested child

By 1973, State minimum standards must be met by all schools in the State They are too long to reproduce here however several copies are available at the Superintendent's office for loan.

The School Department appreciates your fine support of the schools

## NOTICE TO DOG OWNERS

Every dog owner is responsible for the actions of his dog. If your dog is found to be a nuisance or a danger to the public, you may be liable for damages. It is your duty to control your dog and to prevent it from causing any harm or disturbance to others. If you are unable to control your dog, you should consider rehoming it or having it euthanized. The City of [City Name] has a strict policy regarding dog ownership and will take appropriate action if necessary.

For more information, please contact the City of [City Name] at [Phone Number] or visit our website at [Website URL]. We encourage all dog owners to be responsible and to follow the rules and regulations of the city. Thank you for your cooperation.

## NOTICE TO DOG OWNERS

Every dog owner or keeper of a dog three months old or over shall annually, before April 30th, register it with the town clerk. The licensed dog must wear a collar and a tag around his neck with his registration number thereon. Annual fees are:

- (1) for a male or a spayed female - \$2.00
- (2) for a female - \$5.00

If fee is not paid by June 1st there is an added fee of \$1.00.

Certificate of Rabies shot must be presented when registering dogs.

# BURNING REGULATIONS

STATE OF NEW HAMPSHIRE

## **In Case of Fire - Phone 483-2311**

Written permits must be obtained from the Forest Fire Warden for all open fires at all times when the ground is not covered with snow

Permits for grass, brush, campfires, etc., must be obtained on the day burning is to be done.

Permits for screened incinerators and properly constructed outdoor fireplaces may be obtained for the season.

There is no charge for permits which may be obtained from George W. Beane, Forest Fire Warden, Candia Tel. 483-8560.

All fires seen and reported by the fire lookout tower are checked with these permits and any person found to be burning without first obtaining a permit is subject to a fine up to \$200.

Any person found to be burning after being refused a permit because of unsuitable weather is subject to a fine up to \$500.

These regulations are set up by the State of New Hampshire Forestry and Recreation Dept.
