Re: Recommendation for Appointments to the Candia Volunteer Fire Department

Dear Chairman Young,

It is my pleasure as Chief of the Town of Candia Volunteer Fire Department to provide you with the name of an individual who I recommend for appointment to the Department. This individual has demonstrated a strong commitment to providing professional level emergency services to the Town of Candia and I offer this recommendation without reservation.

The person recommended has submitted background information attesting to their individual skill level and have agreed to attain and maintain at least a minimum level of professional certification consistent with the needs of the Department. This applicant has also provided information as to their character and background and will have undergone a criminal background investigation conducted by the Candia Police Department and the State Police.

I would request these appointments be made effective December 26, 2018.
