If any portions of the work are found to be defective before the final acceptance of the whole work, the Contractor shall forthwith make good such defects in a manner satisfactory to the Board of Selectmen, and if any material brought upon the ground for use in the work shall be condemned by the Board of Selectmen as unsuitable or not in conformity with the specifications the Contractor shall remove such materials from the vicinity of the work and make good areas of uncertainty at the Contractor's expense to the satisfaction of the Board of Selectmen.

ARTICLE 21 – MISTAKES OF CONTRACTORS

21.1 The Contractor shall pay the Owner, all expenses, losses, and damages as determined by the Board of Selectmen incurred in consequence of any defect, omission or mistake of the Contractor or the making good thereof.

ARTICLE 22 – RIGHT TO MATERIALS

22.1 Nothing in this Contract shall be constructed as vesting in the Contractor any right of property in any of the materials removed (castings, reclaim, etc.) or placed once having been affixed to the work or the soil, but all such materials shall, upon being so removed, attached or affixed become the property of the Owner.

ARTICLE 23 – LIMITATIONS OF WORK

To Whom It May Concern:

I Richard (Dick) Duhaime am a long-time resident of Candia and a Veteran. I am very interested in donating a United State Flag and a Solar Light for the Flagpole located at the Foss Memorial Park on Brown Road here in Candia.

Providing this solar lighting complies with the requirements for displaying the Flag on a pole which would not require the Flag to be removed at night and rehung daily.

I would need someone else to install this solar lighting and flag as I have some limitations due to the time I was in the Armed Forces.

If you could let me know if my donation is accepted and determine how the process can be completed, I would very much appreciate it.

Regards,
