May 29, 2024

The State of NH recently clarified that once a ballot counting device has been accepted by the Selectboard for use in an election, that new machine *must* be used at the very next election. My intent was to purchase a ballot counting device in 2024 for initial use in the March 2025 Town election, not before. With this in mind, I plan to go ahead with the purchase and replacement of our aging ballot counting machine in time for the March 2025 election, with purchase taking place in early 2025 rather than in 2024.

In 2024, I propose instead to purchase Poll Pads, requested by the Moderator and desired by the Clerk's office, for use in the upcoming 2024 elections. Poll Pads will make check-in at the State Primary and Presidential elections quicker and easier for residents, as residents will be able to check in with Ballot Clerks at any check-in station. For residents, this means no more standing in line, waiting their turn at the alphabetically correct book containing the paper checklist. Ballot Clerks using Poll Pads can check-in any registered voter regardless of last name. New voters registering to vote for the first time in Candia on Election Day will still be required to start with the Supervisor's table then go to the Town Clerk (at the election) for a ballot.

Additionally, the State of NH has sanctioned use of Poll Pads to provide the Moderator with check-in totals for reconciliation of check-in numbers against end of the day ballot counts, thereby streamlining end of Election Day paperwork.

Poll Pads are provided by LHS, our trusted partner in Elections equipment for the last 30 years, providing us with superior service throughout.

A copy of the quote and contract for Poll Pads, as well as a handout about Poll Pads provided by LHS, has been provided for your review.

Respectfully,

POLL PAD

POWERED BY **knowINK**

PROVIDED BY **LHS**

The nation's leading electronic poll book from New England's leading election services company.

The Poll Pad® e-poll book for voter check-in replaces the outdated paper model that is often the cause of long lines at the polls and inefficient election record keeping.

SHORTER WAIT TIMES

An average voter check-in time of about

15 SECONDS

means shorter wait times and, ultimately, increased voter turnout.

EFFICIENT VOTER CHECK-IN

Locate voters faster and easier using

MANUAL ENTRY OR ID SCAN

methods. Also, electronically-recorded totals means no counting and tallying voters per page on a paper list.

POST-ELECTION REPORTING

Load Voter History into the VR System post-election in

MINUTES INSTEAD OF DAYS

Also, get streamlined access to check-in totals, turnout data, and reports from the administrative dashboard.

PROCESS CHALLENGED VOTERS

Indicate a challenged voter with the click of a button and generate complete Challenged Voter Reports post-election.

UPDATE VOTER REGISTRATION

Seamlessly update a voter's name and address right in the Poll Pad application within minutes.

PROCESS ABSENTEE VOTERS

Authorized only for members of the Clerk staff, easily mark a voter as Absentee and generate a complete list of Absentee Voters.

TRACK OUT-OF-STATE LICENSES

The Scan Barcode feature automatically matches the ID with the correct voter and notifies them of their out-of-state license.

Whatever the need, the Poll Pad® by KNOWINK is there for you

Re: Recommendation for Appointment to the Candia Volunteer Fire Department

Dear Chairman,

It is my pleasure as Fire Chief of the Town of Candia Volunteer Fire Department to provide you with the name of an individual who I recommend for appointment to the Department. This individual has demonstrated a strong commitment to providing professional level emergency services to the Town of Candia and I offer this recommendation without reservation.

The person recommended has submitted background information attesting to their individual skill level and has agreed to attain and maintain at least a minimum level of professional certification consistent with the needs of the Department. This applicant has also provided information as to their character. Paperwork has been submitted to the State and is pending for motor vehicle reports, insurance coverage through NHSFA and a criminal background investigation conducted by the Candia Police Department and the State Police.

I would request this appointment be made effective June 10th, 2024.

Alexander Roberts, AEMT

Candia Select Board members,

We would like to invite all of you to attend the opening day of our upcoming Candia Farmers Market on June 15th. We have really grown over the last three years and can't wait to see what season 4 brings. It is a wonderful community event for the young, old and everyone in between. We offer live music, kids activities, and visiting farm animals each month. We will have more than 40 vendors at each market this year. Lots of fresh vegetables and fruits, pasture-raised meats, cheeses, delicious bakery items and so much more. Last season we introduced a new vendor, JP's Eats, who makes the most amazing egg sandwiches. All the ingredients are from local farms and bakers. It is a great way to start your day.

Hope you will consider joining us on June 15th from 9-12pm.

At the July 20th market we are giving away \$20 market vouchers to the first 100 Veterans to sign up. Just our way of saying "Thank You for your service." Let your friends and family know.

August 17th we will be celebrating National Honeybee Day with lots of fun learning activities.

September 21st is our First Annual Apple Pie Baking Contest.

We will end the season with a bang on October 19th at our special Mini-Octoberfest and Artisan Fair at the Market. We have extended the hours to 9-2pm. The number one Polka Band in NH, Eastern Sound Polka Band, will be entertaining us from 11-2 in full Octoberfest regalia. They promise to play the "Chicken Dance".

Don't miss all the fun this season. We hope to see all of you out supporting what we have been told is "One of the BEST things to happen in our town in years."

Thank you for your time.

Matt Cobb, Chairman

Candia Agricultural Commission
