Summary by the Building Inspector

Monthly inspection list

Monthly permit list

Permit Chart

Hello all,

I started towards the end of the month so this will be a brief brief. I was able to hit the ground running and take care of some necessary building inspections that were on the calendar. As you will likely notice in my inspection results attached to this report there were some failures, but generally most inspections passed.

Aside from that, I was able to keep up with permit reviews and issuances, and move the office around which will help with the flow of the office in my opinion. I met with the Zoning Board Chair to go over the zoning ordinance and upcoming case and attended the ZBA meeting which went well. I have also met with a handful of residents about their upcoming building permits to get off on the right foot.

I have taken a few steps in getting caught up with some of the existing violations in town as well as some of the PB and ZBA cases that are incoming.

Things I would like to ask the Select Board to attend to would be my induction as the Health Officer for the Town of Candia so this can be made legitimate in the eyes of the State, as well as to entertain a possible Mutual Aid Agreement with the Town of Raymond to have better coverage in the event of my absence.

Thank you all,

Will Dinsmore

Town of Candia, New Hampshire
Agriculture Commission

February 19, 2025

Board of Selectmen
Town of Candia, NH

Dear Select Board,

The Agriculture Commission has several terms due to expire this March. Voting members Melissa Madden, Robin Vergato, and Matt Cobb and Alternates Rich Ascolillo, Pattie Davis, and Alexandra Campbell all have expiring terms.

Robin Vergato has expressed her intention to not seek another term on the commission. Melissa Madden and Matt Cobb would like to continue in their roles on the commission. Melissa has worked tirelessly as the Farmers market manager and also been actively involved in the commission's other activities. I (Matt Cobb) hope that my role as chair of the commission has been of service and would like to continue for another term.

Alexandra Campbell has been an active alternate for the commission and has volunteered repeatedly at the Farmers Market. She would like to move up and assume the open voting seat being vacated by Robin Vergato.

Rich Ascolillo and Patti Davis have both served faithfully As alternates and have participated in multiple Agriculture Commission event. Patti Davis has been very active in her support of the Farmers Market and especially The Kids tent activities. They would both like to take on another term as alternates.

Therefore, the agriculture Commission per vote at its meeting would recommend the Select Board Appoint Melissa Madden, Alexandra Campbell, and Matt Cobb as voting members of the commission and Rich Ascolillo and Patti Davis as Alternates.

Thank you for your consideration of these Appointments

Sincerely,

Matt Cobb,
Chair
