

HERITAGE COMMISSION MINUTES
JANUARY 14, 7PM, SMYTH MEMORIAL BUILDING

PRESENT: Diane Philbrick, chair, Carleton Robie, Selectmen's representative, Ray Cresswell, Carol Howe, Sandra Whitcomb.

MINUTES

November minutes were approved. There was no meeting in Dec.
Annual Report which also included a Semiquincentennial Report was accepted

LIGHTS ON THE HILL

Members acted as host and hostess at the Smyth Building Dec 14 – 15.
A thankyou was received from the LOTH committee.
Due to poor weather, there were fewer visitors than other years.
The building was particularly beautiful because we were able to extend displays to the right side of the room. Moving the library stacks to the back wall created an open space.
After the crèche collection was boxed, the room was thoroughly cleaned.

EAST CANDIA SIGN is now installed.
Landscaping will be done in the spring.

VILLAGE WALKING TOUR

Diane recommended this project be based on the 1892 Map

50 YEAR HISTORY PROJECT

Diane recommended the Commission pursue the goal of updating the town history.
Sandra and Carol expressed interest in interviewing elderly townspeople and will put together an invitation and list of suggested questions.

Next Meeting: Feb. 11, 2014
