Subject: Parks, Other Culture & Recreation Monthly Report

Moore Park

The formal sports season is in full swing this month, with Jesse Remington HS soccer using the field. The soccer field is being mowed regularly. The playground continues to be used on a daily basis by children, both the young and the young-at-heart. Depending on the weather, the bathroom water will be shut off and the lines drained some time next month.

The new sign in the entrance to the park is getting good comments. Our thanks to Matt Hawes. Good Job on your Eagle Scout project!

Skateboard Park

Repairs were again completed on the new equipment, but the welds have failed again. The vendor is working with us to solve the problem. Acceptance of the donated equipment will be held until the equipment is deemed complete.

Summer Recreation & Ski Programs

The CYAA will be handling the ski program administration again next year. Programs will be available for both young and older children, each at their own facility.
