Portable Speed Sign is not in operation, **please slow down and drive safely!**

The Police Department has partnered and signed an MOU with the Candia School District regarding the placement of a School Resource Officer (SRO) at the Candia Moore School. An SRO provides far more than a security presence; the position builds relationships with students and staff, supports early intervention when issues arise, and improves coordination between the school and law enforcement during emergencies.

The school district has indicated it is willing to fund an officer to be present at the school for approximately 5 days a week during the school day. This will allow the department to provide a consistent law enforcement presence at the school while maintaining patrol coverage in the community.

Many communities our size have moved toward this model as a proactive safety measure. Over the coming months, I will continue working with school leadership to evaluate logistics, scheduling, and any additional funding opportunities before bringing a formal proposal forward if appropriate.

Respectfully Submitted on behalf of the Candia Police Department,

Chad P Shevlin, Chief of Police
